County Site Analysis

WHEREAS the Potter County Board of County Commissioners is interested in the analysis of rural sites for potential development; and

WHEREAS this research is based upon various infrastructure, road and land use factors; and

WHEREAS the research may identify sites that are suitable for development according to a classification scale, ranging from "good" to "best", and

WHEREAS granting permission for such research is not a public declaration of county support for any specific development activity or project; and

WHEREAS the cost of the research is being addresses by other sources, such as the South Dakota Department of Agriculture; and

WHEREAS the results of the research will be made available to the county commission and general public.

NOW THERFORE BE IT RESOLVED by the Potter County Commission that it authorizes the South Dakota Department of Agriculture and its Partner Planning and Development Districts to conduct the research on behalf of the county and other interested parties.

BE IT ALSO RESLOVED that Potter County officials will cooperate in providing any readily available data or information that may be needed in conducting the research.

Adopted this 2nd day of December 2014.
