

Trees are Terrific... ..And Forests are Too!

Poster Contest Submissions Accepted Now Through 5:00 PM Central Time, March 23, 2018

Dear Fifth Grade Teacher,

The South Dakota Department of Agriculture, Division of Resource Conservation and Forestry invite you to enhance your curriculum and integrate learning goals by participating in the annual South Dakota Arbor Day Poster Contest.

An inter-disciplinary curriculum guidebook has been designed to correlate with all state and federal educational standards. The *"Trees are Terrific... And Forests are Too!"* guidebook provides all the necessary information, classroom exercises, and assessment guidelines you need to educate your students about the benefits of trees and their inherent value to communities, people, and environmental health. The guidebook is available for download and print at: <http://sdda.sd.gov/conservation-forestry/educational-programs/arbor-day-poster-contest/>. Once your students experience the coursework, they have the opportunity to demonstrate their understanding of the concepts by creating an interpretive poster and participating in the contest.

The curriculum guide incorporates principles of science, language arts, civics, and art into a fun, hands-on lesson plan that your students are sure to enjoy. The top 12 artists will receive a certificate of accomplishment and their posters featured in the annual South Dakota Arbor Day Poster Calendar. The top three artists will receive additional prizes along with their certificates and posters highlighted in the calendar. (Please see reverse side for contest rules and prize details). We encourage you, your fellow fifth-grade teachers, and your school's art teacher to participate in this fun and educational program.

If you or your colleagues have any questions regarding the contest, please contact me.

Sincerely,

Rachel Ormseth
