

**SD DEPARTMENT OF AGRICULTURE, DIVISION OF AGRICULTURAL SERVICES
APPLICATION AND COMPLIANCE AGREEMENT AUTHORIZING THE ISSUANCE
OF STATE OF ORIGIN CERTIFICATES (IN-TRANSIT GRAIN SHIPMENTS)**

The **State of Origin Certificate-In-Transit** may only be used for wheat, oats, barley, rye and/or triticale grains that will transit via rail through Canada, return to the United States and will not be unloaded in Canada. Only grain grown and originating in approved geographic locations is authorized for this certification process. These locations include the entire states of Connecticut, Iowa, Kansas, Maine, Massachusetts, Minnesota, Missouri, Nebraska, New Hampshire, New Jersey, North Dakota, Pennsylvania, Rhode Island, South Dakota, Vermont, Wisconsin and certain counties in Colorado and Montana.

CONDITIONS:

1. The grain shipments described herein were grown and originated in the area(s) listed on this application;
2. The grain shipments described herein will transit through Canada only by rail;
3. The grain will return to the U.S. without being unloaded in Canada, or the grain will be transferred directly from the railcar(s) onto ocean going vessels at a Canadian port for export, without storage in a Canadian facility and without mixing with grain of Canadian origin; and
4. The railcar(s) to be utilized for in-transit shipments are completely cleaned of any residues of previous consignments carried in the railcar(s) prior to loading the grain(s) identified on this application.
