

South Dakota Mini-bulk Recycling Program Registration

The South Dakota Department of Agriculture is starting a mini-bulk recycling program. Some information is needed on the tanks that are to be recycled. Tanks that are old, cracked, brittle or generally unsafe for transporting chemicals will be collected. There will be no charge for the tanks. However, you would need to deliver them to designated container collection sites rinsed and clean.

Please fill out the following and fax it to SDDA at 1-605-773-3481 or

Mail to: **South Dakota Department of Agriculture**
523 E. Capitol Ave.
Pierre, SD 57501-3182

Or E-mail: Charles.King@state.sd.us

How far would you be willing to transport them? _____ **miles**

How many out of condition mini-bulks do you have for recycling? **Total** _____

Breakdown of mini-bulks needing to be recycled:

<u>Chemical Manufacturer</u>	<u>Quantity</u>	<u>Size in Gallons</u>
Monsanto	_____	_____
Syngenta(ICI, Ciba, Zeneca)	_____	_____
BASF/ American Cyanamid	_____	_____
Dow	_____	_____
Aventis	_____	_____
FMC	_____	_____
Other	_____	_____
