RE: Addition of two sections of rules for the Value Added Sub Fund

The Value Added Finance Authority, through the South Dakota Department of Agriculture, recently provided you with the Notice of Public Hearing regarding the Value Added Sub Fund rules.

Upon notice to interested parties, it was brought to our attention that there was an omission of a section on confidentiality. Based on that comment received and after reviewing the current rules which were used as a guideline, two sections were inadvertently omitted. Therefore, sections 12:22:03:19 Conflict of Interest and section 12:22:03:20 Confidentiality have been added to the rules.

It is also believed that the Notice of Public Hearing includes the changes to these sections and a new Notice does not need to be published.

However, we wanted all parties that were previously provided a copy of the draft rules to be aware of these changes and addition of these two sections prior to the public hearing on September 26, 2013. A copy of the rules including these sections is attached.

Please contact Terri LaBrie at 605.773.4026 or terri.labrie@state.sd.us if you have any questions regarding these additions.
