

RESOLUTION 2015-23  
COUNTY SITE ANALYSIS

**WHEREAS** the Stanley County Board of County Commissioners is interested in the analysis of rural sites for potential development; and

**WHEREAS** this research is based upon various infrastructure, road and land use factors; and

**WHEREAS** the research may identify sites that are suitable for development according to a classification scale, ranging from "good" to "best", and

**WHEREAS** granting permission for such research is not a public declaration of county support for any specific development activity or project; and

**WHEREAS** the cost of the research is being addressed by other sources, such as the South Dakota Department of Agriculture; and

**WHEREAS** the results of the research will be made available to the county commission and general public.

**NOW THEREFORE BE IT RESOLVED** by the Stanley County Commission that it authorized the South Dakota Department of Agriculture and its Partner Planning and Development Districts to conduct the research on behalf of the county and other interested parties.

**BE IT ALSO RESOLVED** that Stanley County officials will cooperate in providing any readily available data or information that may be needed in conducting the research.

Adopted this 3<sup>rd</sup> day of November, 2015.
