

**Resolution Number 2014-12**  
**Authorizing Resolution**  
**County Site Analysis**

**WHEREAS** the Ziebach County Board of County Commissioners is interested in the analysis of rural sites for potential development; and

**WHEREAS** this research is based upon various infrastructure, road and land use factors; and

**WHEREAS** the research may identify sites that are suitable for development according to a classification scale, ranging from “good” to “best”, and

**WHEREAS** granting permission for such research is not a public declaration of county support for any specific development activity or project; and

**WHEREAS** the cost of the research is being addressed by other sources, such as the South Dakota Department of Agriculture; and

**WHEREAS** the results of the research will be made available to the county commission and general public.

**NOW THEREFORE BE IT RESOLVED** by the Ziebach County Commission that it authorizes the South Dakota Department of Agriculture and its Partner Planning and Development Districts to conduct the research on behalf of the county and other interested parties.

**BE IT ALSO RESLOVED** that Ziebach County officials will cooperate in providing any readily available data or information that may be needed in conducting the research.

Adopted this 30th day of December, 2014.
